Pride ★ Patriotism ★ Economic Growth

*A joint venture between the Jefferson City East Side Business Association  
and American Legion Post 5.*

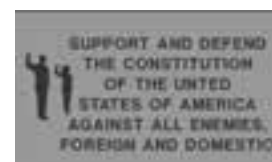

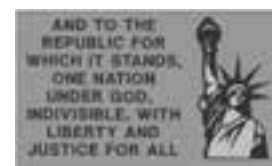

The East Side Business Association and American Legion have teamed up to create patriotic displays in the two roundabouts on East McCarty Street. The displays will promote American patriotism, economic growth, and pride in Jefferson City. The plan for the north roundabout calls for a six-foot tall eagle statue atop a pedestal of stone. The south roundabout features a 40 foot tall flag pole with a pentagon-shaped monuments with patriotic messages around the base.

**Your sponsorship can help make this project a reality.** A donation of \$2,000 entitles your company to recognition at one of 7 roundabout entrances (see the back for more details). Please help us make a lasting contribution to the Jefferson City community, as we growth together.
